## Answers

1 17 years  
(since 2008)

10 Italy

2 1,176 kg  
The Guinness World Record for largest cupcake was set in 2011 by an American bakery, with a cupcake weighing 1,176 kg. The oven and pan were even custom made for this attempt!

9 Baklava

8 18th century

7 False

Fun fact:  
Unlike humans and dogs, cats lack the gene responsible for sweet taste receptors that lets them taste sweet things!

3 81,669

4 All of the above

5 Chocolate

6 \$38
